

# Calgary Community Crime Rate & Median Household Income

Current Time: 9:34 PM  
Date Saved: 10/27/2021 9:20 PM

## Crime Count

- 1 - 200
- 201 - 500
- 501 - 1000
- 1001 - 3000
- 3001 - 10000

## Description:

This map is used to show the relationship between crime rate and community median householder income. The income values are used as labels on the map. The crime rate is colored from light to deep from 1 (minimum) to 5 (maximum). Lower income communities have the higher crime rate.
